INSPIRATION:

Luke 2: 1-20

“In those days a decree went out from Emperor Augustus that all the world should be registered. This was the first registration and was taken while Quirinius was governor of Syria. All went to their own towns to be registered. Joseph also went from the town of Nazareth in Galilee to Judea, to the city of David called Bethlehem, because he was descended from the house and family of David. He went to be registered with Mary, to whom he was engaged and who was expecting a child. While they were there, the time came for her to deliver her child. And she gave birth to her firstborn son and wrapped him in bands of cloth, and laid him in a manger, because there was no place for them in the inn.

In that region there were shepherds living in the fields, keeping watch over their flock by night. Then an angel of the Lord stood before them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, ‘Do not be afraid; for see—I am bringing you good news of great joy for all the people: to you is born this day in the city of David a Savior, who is the Messiah, the Lord. This will be a sign for you: you will find a child wrapped in bands of cloth and lying in a manger.’ And suddenly there was with the angel a multitude of the heavenly host, praising God and saying’

‘Glory to God in the highest heaven,
and on earth peace among those who he favors!’

When the angels had left them and gone into heaven, the shepherds said to one another, ‘Let us go now to Bethlehem and see this thing that has taken place, which the Lord has made known to us.’ So they went with haste and found Mary and Joseph, and the child lying in the manger. When they saw this, they made known what had been told them about this child; and all who heard it were amazed at what the shepherds told them. But Mary treasured all these words and pondered them in her heart. The shepherds returned, glorifying and praising God for all they had heard and seen, as it had been told them.”

Make your voice heard; Minnesota Conference requests input for feasibility study

The Minnesota Conference of the United Methodist Church recently launched a feasibility study, and United Methodists across the state are being asked to participate. The study will assess the conference's readiness for a congregational development capital campaign to seed new faith communities across the state and help existing congregations like ours grow in strength, spirituality, and community impact.

Please visit the home page of the conference website (www.minnesotaumc.org) and click on "Feasibility Study" to learn more about the efforts underway and provide input through a brief online questionnaire. All responses submitted through the questionnaire are confidential and go directly to the consulting firm that's leading the conference through the feasibility study process.

Your feedback is important and will be used to formulate objectives and plans. Many of our church leaders are participating in the feasibility study. A report on the findings will be presented at the 2014 annual conference session.

2014 Church Budget Set:

The Church Finance Committee met on Thursday November 7, 2013 to determine the Church's Budget for 2014. The end result is an estimate that the cost of operating the Church will be about \$100,000, or about \$130 more than the estimated cost of operation in 2013.

The Budget was developed by the committee by using known operating costs for the coming year – Conference Apportionments and Ministerial Support – and also making estimates of the other costs of operation of the Church.

The Finance Committee feels these Budget Expenses are realistic, conservative and achievable by the Church.

The Finance Committee is sharing this cost of operation estimate with each of the members of Ely UMC because – we; The Members; are the primary source of the money needed to pay these operating expenses.

The Finance Committee is telling each of us that if each of us increased our giving by 2 Cents for each Dollar we have given this year, the Church's revenue increase will be adequate to cover expenses.

We - as Members of the Ely UMC – must remember that the costs of operation of the Church need to be met, whether we are able to attend the Church's Worship Services or not.

Blaine "Butch" Diesslin, Finance Committee Chairman

GRASS IS GREEN --- SNOW IS WHITE !!!

We are now looking for volunteers for sidewalk snow shoveling for the winter months. We need to keep the Church sidewalks and entryways clear of snow and Ice during the winter months. Mark & Margie Olson have signed up for November, so December thru April need to be filled. Volunteers can sign up for a month at a time by themselves or get together with other people and do a month that way.

The walkways and sidewalks to the church entrances – the front door, the handicapped ramp and the rear door to the Fellowship Hall (basement) – must be kept safe for walking and be welcoming to those coming to the Church during the winter months.

The maintenance of the sidewalks entails the removal of snow and ice in a timely manner after a snowfall, to ensure the sidewalks are as safe as possible. **On Sunday mornings the walkways need to be shoveled before 8:30am**. The Church provides snow shovels, ice scrapers and brooms for removing snow and ice. These tools are stored in the Church garage during the summer months and are placed next to the front doors and the back door to the Fellowship hall during the winter months.
