

Dear Brothers and Sisters,

Exuberance, joy, and excitement, all rolled into one big package, involving a bit of effort; “**WHAT, WHAT, WHAT**, in the world can it be”?

Well, it could be but it is not making to another birthday celebration; well, it could be but it is not finishing the final go around of our “Pasty Making” for the 2016-2017 “Pasty Season”; well, it could be but it is not closing in on our soon to be **AWESOME** 125th Anniversary Celebration of the Ely United Methodist Church Family; no it is none of these things this big package of exuberance, joy, and excitement.

So, why this exuberance, joy, and excitement, all rolled into one big package, involving a bit of effort, “**WHAT, WHAT, WHAT**, in the world can it be”?

Indeed, “**WHAT, WHAT, WHAT**, in the world can it be”?

The answer to what this exuberance, joy, and excitement, all rolled into one big package is-----can you give me a “**DRUM ROLL PLEASE**”-----the **WALLEYE** fishing season has opened!!!

However, a little reminded here, and the reminder has to do with the word **EFFORT!!!** Yes, in order to experience a sense of exuberance, joy, and excitement, from the walleye fishing season requires a bit of **EFFORT!!!** Here are few examples of the **EFFORT** required to participate with a sense of exuberance, joy, and excitement, in the walleye fishing season, equipment preparation, rods, reels, various types of tackle, thoughtful consideration of baits, lakes, and weather conditions, and of course travel by car, truck, boat,

canoe, kayak, to name a few!!! Yes indeed, we are talking at least a wee bit of **EFFORT!!!**

I like the sound of, I like the idea of, **EXUBERANCE, JOY, EXCITEMENT**, all rolled into one big package, even if it does involve a wee bit of **EFFORT!!!**

So, developing high quality relationships requires a wee bit of **EFFORT!!!** Further, high quality relationships rooted in **LOVE** tend to nurture **EXUBERANCE, JOY**, and also **EXCITEMENT** in our lives!!!

I like the sound of, I like the idea of, **EXUBERANCE, JOY, EXCITEMENT**, all rolled into one big package, even if it does involve a wee bit of **EFFORT!!!** If we are going to have high quality relationships with each other, we must be willing to put in a wee bit of **EFFORT!!!** If we are going to develop high quality relationships with our gracious and loving **GOD** we must be willing to put in the **EFFORT!!!**

When we spend time with **GOD** in worship, when we spend time with **GOD** in prayer, and when we spend time with **GOD** in the Holy Bible, we are putting forth a wee bit of **EFFORT** which in turn creates the potential for a big package of **EXUBERANCE, JOY, and EXCITEMENT!!!**

May we as Children in the Family of God begin to use the various building blocks our **GOD** has provided to enhance our potential for consistently preparing our hearts, minds, and spirits, for developing much higher quality relationships with **GOD!!!** Indeed, feel the **EXUBERANCE**, feel the **JOY**, and feel the **EXCITEMENT!!!**

Love in Christ,

Pastor Dana

“Hearts 2 Hands”:

**Motto: What we make with our two hands
we give from our hearts**

Our 15th year together a EUMC finds us still going strong. We have made 337 quilts for Toni’s Quilts for at-risk Kids Project. Theses quilts go to Ely Social Services, Virginia Foster Care, St. Mary’s Preemie Unit and, new this year, Homeless Children of Single Mothers.

Two special projects this year are the Youth Group Project in May and our annual “Pillowcase Party,” making pillowcases for St. Mary’s pediatric ward. With a little community support, we have been able to donate 762 pillow cases since we started in the fall of 2000.

Toni started making quilts for at-risk kids on “The Range” in 1998 with many wonderful people and groups helping fill the need here in the area. She has delivered over 1400 quilts since then, and what continues to keep her going is the fellowship and the continued support of the H-2-H members.

If you are interested in helping us with this year’s “Pillowcase Party” please contact Toni Floyd at 365-7420.

New Business

- Dana reported that the District is holding a **Breakthrough Renewal Institute** on Sept 14-15 and would like to see if the church can offer at least 4 scholarships for church members to attend. He specifically requested that UMW cover 2 scholarships which would come to about \$350. Motion was made & approved to do that. (M/Lucy/S/Janice).
- **Health Kits:** Lucy wanted to know if we'd be willing to put 10 kits together at our May 24 meeting if she supplied most of the items since she already has a number of the needed items. We agreed that this would be good. Lucy will hand over what she has to Jeanne who will take care of getting the rest of the items for the May 24 meeting.

AFTER SCHOOL MID-WEEK YOUNG FOLKS FELLOWSHIP:

Our little church with a big heart is hoping to start an after-school program of religious instruction for grade school children.

It would be a wonderful way to start or continue their introduction to Christian beliefs and values.

It might also entice them to transition into our Youth Group when they grow older.

Tentatively, it would occur weekly. Children would be escorted from the school to the church when school lets out on Wednesdays. To make this happen, we need volunteers to instruct and to walk with them from school to church. Many hands make light work, so if you could help out, even just occasionally, we'd love to hear from you. Please contact Jan Hotaling, Rich Floyd, or Reverend Thompson.

*Optimistically- Wednesday Afternoon's after school until 5:00 P.M. ???

COMMITTEE REPORTS

Visioning Committee: After-School Instruction for Children – Aimed at grade school children, this will be a good way to feed into the Youth Group, not to mention initiating the children’s religious instruction. We are considering providing the instruction weekly on Wednesdays right after school lets out. The idea is to walk the children from school to the church, and that will likely take two adults. We would like to start at the beginning of the new school year. Our biggest challenge will be to find volunteers to give the instruction and to walk with the children. Jan has already agreed to teach. The teacher would also be one of the walkers. Background checks will be required. Many of the prospective teachers may already have them from working or volunteering at the school. Jan will see if we can get documentation for them. Those who need to get background checks can do it through the Conference “Safe Gathering” program. We will offer, but not require, additional training for safely dealing with children. The current cost for the background check and

training is \$32.50 per person. The training, if desired, can be done online.

OLD BUSINESS

1. **125th Ely UMC Anniversary:** The committee has decided on the meal and is in the process of getting bids from caterers. Butch is working on a Power Point Presentation and is still accepting photographs. Trish is working on securing give-a-way branded magnets. Jay is working on getting bids for Ely United Methodist Shirts to be made. Dana has secured give-a-way branded pens. The invitation letter is prepared as is just waiting for the additional information to be included before sending. The committee is looking into preparing give-a-way DVDs with church historical information and the power Point Presentation. The next committee meeting is scheduled for June 1st.
2. **Summer 4 Church BBQ:** The committee met and decided that the BBQ will be held on August 13th starting at 12:00 noon at Semers park. The building rent is \$80 and includes all tables and chairs. The Park has a playground, volleyball court, beach and swimming. The grill will be delivered to the park by Northland Market, and food will come from Northland Market. The churches will purchase the meats and all the condiments. The PPRC would like Congregation input for *Church Profile*

By Jeanne Tomlinson

For those of you who might not already know, Pastor Dana will be retiring at the end of June 2018. Although we won't ever be able to have another Dana, we need to take steps to help the bishop and the district superintendents in the appointment making process of his successor. The Pastor-Parish Relations Committee (PPRC) is tasked with completing a *Church Profile* document that will help them determine who might be the best fit for our church.

The PPRC would like your help with some of the sections of the document. We have developed a *Church Profile – Congregation Input* form that has the those sections. Printed copies of this document will be available at the church starting on Sunday, June 4 and throughout the summer. If you would rather have an electronic copy of this form, please notify PPRC Chair, Jeanne Tomlinson, at tomlinson.jeanne@yahoo.com, or if you like a printed copy sent to you, call Jeanne at (218) 235-8470. There will be instructions with the form on when and how to return it once you have completed it.

Thanks in advance to those of you who are willing to help out in this process.

SCHOLARSHIPS 4:

Did you notice the Article about “Refresh, Renew & Revitalize” your church being promoted by the North Star District and sponsored and hosted by the Hubbard U.M.C.?
September 14 – 15, 2017
Hubbard U.M.C.

Well, we would like to see at least four Lay Members from the Ely U.M.C. attend this District Wide Conference.

Thus, the U.M.W. and the Administrative Council are each providing two Scholarships this creates a total of four scholarships.

The Scholarships will hopefully be enough to cover 4 Registration Fees and 4 one night stays in a Motel in the Park Rapids area.

Additional costs to those attending would likely be the travel to and from, and one meal going to, and coming from the Conference.

Please contact pastor Dana at 365-3355 if you would like to take advantage of this great District Wide Opportunity for learning and growing.

Let's see what is going on with regards to church growth and gain new insights for possible future efforts in the Ely U.M.C.

Two Scholarships spoken for already-
Lucy Diesslin, Jeanne Tomlinson
