Status of Active Visioning Committee Initiatives

Church Movie – Family Fun Night is set to go. Just a reminder that the sloppy joe dinner will start at 5:30, with the movie starting promptly at 6:00. This will allow those with small children to head home around 7:30.

Study on Relationships – *The Five Love Languages* was quite successful. We should conduct the study again in a year or so.

Evening “Sunday” School for Children – We need to get background checks on those who would conduct the classes. They are thought to be easy to initiate and not cost too much—perhaps \$20 to \$40 per person. Rich will look into this. Eventually, when this project starts coming to fruition, we will need a head count of the teachers, so we can request funding from the Admin Council for the background checks.

Our next meeting is scheduled for **7:00 p.m., Tuesday, May 9, 2017.**
