

## Status of Active Visioning Committee Initiatives

After-School Instruction for Children – The program is going well. Eight children participated last Wednesday. A party is planned for this coming Wednesday. Parents are invited.

Study on Forgiveness – Patty and Gail are going through the book now. They will make a sign-up sheet to be placed on the table in the overflow room on the first Sunday in January. The study, which will be more like a book review, will run for 6 sessions, weekly from 1:00 until 2:00 or 2:30, beginning on Sunday, January 14, 2018.

Comfort Boxes – No new information.

Movies – The movie *I'll Push You* just opened recently. Unless we are able to show brand new movies just about the same time they open in local theaters, the Committee believes we are better off showing movies at least 2 years old. People are unlikely to want to see a movie at church that they have seen recently in a theater. Patty will select a couple of other potential movies, and notify the Committee members by e-mail, so we can review them.

Meeting Night – After having tried unsuccessfully to improve attendance by alternating meetings among different days, we decided to hold them on a consistent schedule. We chose the second Thursday of each month. Accordingly, the next meeting is scheduled for 7:00 p.m., Thursday, January 11, 2018.
