

Status of Active Visioning Committee Initiatives

After-School Instruction for Children – The program is averaging about 10 or 11 students, and is going well. So far 5 people have completed the Safe Gatherings background check and training. More people are encouraged to complete it.

Study on Forgiveness – The books *The Gift of Forgiveness* are in, but will not be distributed to participants until January.

Comfort Boxes – This was originally meant to serve people enduring stressful events. Has it grown to include special occasions?

Annual Calendar – Our most recent calendar shows a movie in March, and dinner and a movie in April. We didn't intend to show movies two months in a row, so supper and a movie was scheduled for March, the term "supper" used to more accurately indicate a simple meal. Committee members are encouraged to review two movies: *I'll Push You* and *Wonder*.

The next meeting is scheduled for 7:00 p.m., Friday, December 15, 2017.
